

2019/20 What impact has Sports Premium had at our school?

Academic achievements W or above being accelerated progress this year for when data was entered!

D+ and above (Expected) = 6:86 95% 5: 86 82% 4: 105 95% 3: 83 88%
W and above (Above expected) = 6:36 39% 5: 12 11% 4: 15 14% 3: 18 19%

Quotes from staff:

"I found the subject update session enlightening and am looking forward to seeing the Gym equipment in action" *Year 6 teacher and governor.*

"I used strategies taken from a lesson I have observed, delivered by the teacher I was working alongside. I'm now more confident in delivering a PE lesson with pace" *SCITT Student*

Quotes from pupils:

"This is my first competition and I can't believe we came second! I'm proud of the team". A year 3 from 3M who competed in Gymnastics.
"I enjoyed the group PE sessions that Miss Morgan did when we came back to school. I felt safe and it was fun to do some sport with my friends". (Quote from a child in a school bubble)

Support the least active and vulnerable children by running activities with DH

30 children with a high level of need targeted twice a week successfully improved

97% have shown an improvement in gross motor skills and/or physical fitness

196 children have signed up to lunchtime league and compete weekly

Introduce new sports and embed physical activities into the school day

Daily Mile supports physical education **75%** of classes were regularly accessing this daily.

12 physical clubs run this year with **108** children in Autumn.

17% of the school have been involved in competitions outside of school

16% Competitions won as well as progressing to a county competition

Partnered up with **17** local schools including **2** secondary schools through Witchford SSP

6 competitions entered before lockdown

Qualified Sports coaches to work with teachers

100% of the teachers asked said watching the Premier Sport sessions improved their professional development

4 different coaches from PS for tennis, netball and gymnastics

9 different sports taught across the year

8 sports introduced into every day school life including volleyball and regular girls' football slots

Encourage pupils to take on leadership roles that support

12 Sports leaders have been involved in decision making and leading games at lunchtime

Less recorded incidents recorded outside as a result of Sports leaders training and running games/supporting supervisors
